

Adult Summer Camp

August 15th – 17th, 2025

Summer camp isn't just for kids! Experience the unique comforts of the Nature Inn and Bald Eagle State Park while enjoying some fun-in-the-sun!

Guests will arrive on Friday with activities beginning later that evening. First, a hearty dinner will be served on the patio of the Nature Inn over a breathtaking view of Foster Joseph Sayers Lake. After dinner, the group will gather around the campfire for a night-time program.

Saturday will be spent enjoying all the best outdoor recreation activities Bald Eagle State Park has to offer. Guests will be learning how to shoot archery, trying their hand at fishing, and more! Also, a delicious lunch and dinner provided by the Nature Inn will be incorporated into the fun-filled day. After dinner at the Inn, guests will have the opportunity to explore Bald Eagle State Park or other local attractions on their own!

On Sunday, the early bird gets the worm—or the early visitor sees the bird! After a hot breakfast, we will conclude the weekend with a morning bird watching session.
